## **ST WILFRID'S CHURCH NEW FAMILY SERVICE**

The new Family service has not had any interest from the families in the village. If this is because the time of the service is not right or you think a different sort of service would be more appealing to families please get in touch with me on 01964 622873 and let me know your ideas.

I read with interest in the last two editions of the Beacon memories of Chris Hoe's late father Harry, as a relative new comer to the village I found them very interesting and full of things I knew nothing about so thank you Chris.

One piece in particular caught my attention, please forgive me for mentioning Christmas and yes I do know it is only June (July when you are hopefully reading this) but I would like to run something by you all, is it possible we could as a community bring back the carol singing in the village. Please do not say you cannot sing because believe me I cannot sing either but I sing in church and I sing along to songs I like, because I think if God had wanted us all to be lovely singers he would have given us all beautiful voices and I believe he really doesn't mind how well or not you sing if it makes you happy. So if you are willing to give it some thought please do. If you think you would like to take part you have lots of time to get in touch. Children are very welcome to take part.

We will provide a supper following the carol singing either in the Village Hall or the Watts Arms if Mel is willing, dependent on what people want and availability of the Village Hall.
