BURTON CONSTABLE HALL BY LOCAL ARTIST

'THE EAST YORKSHIRE COAST'
PAINTINGS BY CHRISTOPHER HEALD

The beautiful light and colour of the East Yorkshire Coast comes to Burton Constable Hall. From Spurn Point to Bempton, Filey and beyond, a new exhibition of paintings by Christopher Heald at Burton Constable Hall, will take you on a tour of the East Yorkshire Coast.

Artist Christopher Heald, has created this series of paintings in the last six months especially for this Burton Constable show. "The East Yorkshire coast has been such an inspiration for my work, the landscape is so varied, and gives me lots to contend with. Above all, I'm interested in colour, and how the light and atmosphere create and change those colours and give a landscape it's life.

Christopher has been based in East Yorkshire for a couple of years now. "Everyone I've met has shown me such support, whether it's been on a windswept coastal path, or a warm Summer evening at Spurn Point. I'm always discovering great new places, Halsham Waterside is a favourite for a wonderful coffee and cake after a painting trip. I feel proud to be in this community and creating pictures that hopefully can be enjoyed."

Christopher has exhibited in the U.K. and France, and has paintings in private collections in Europe, Canada and Hong Kong. He is passionate about painting and influenced by ways to represent what he sees. "I don't just paint the scene in front of me, I paint the effect that the weather, light and atmosphere has on that scene. The two most prominent places that feature in this show are Flamborough and Bempton. I love painting the sea, but also the landscape there, has many different textures and surfaces. The cliffs show all the colours that are reflected from neighbouring elements, what a challenge for a painter!"

"I'm very proud to be exhibiting these paintings at Burton Constable Hall. It's a lovely space in beautiful surroundings, and the team there have been so generous with their time and help."

'The East Yorkshire Coast, Paintings by Christopher Heald', is on display at The Carriage House, Burton Constable Hall from 26th February to 4th April 2019.

ISLAND WOMEN EXHIBITION

After our first successful Artists and Makers event last year we decided to take the plunge and have organised a second exhibition to be held in Ottringham Village Hall on Sat 6th and Sunday 7th April 2019. The exhibition will be open from 10.00 am until 4.00 pm each day and entry is free. There will be refreshments available. We have a broad theme of 'Estuary' this year, though not all of our work will be linked to this. Our life size Spirit of the River will have small gifts from the estuary to give away. As we did last year, we will be around to chat and demonstrate some of our skills.

The Ottringham Village Institute would like to say a big thank you to Brenda for the very kind donation of £201.17 which was raised in memory of Tommy.

Pam and Paul Bannister would like to thank everyone for the kind donations that were received in Doreen's memory. A total of £273.30 was raised and is shared between St Wilfrid's and the Ottringham Village Institute.

IN MEMORY OF THE LATE PAULINE INGELSON

We send our deepest Sympathy to Pauline's husband, family and friends. She will be sadly missed by all who knew her. May she rest peacefully.

TOXOCARIASIS – health risk to children!

Toxocariasis is a rare infection caused by roundworm parasites. Humans can catch it from handling soil or sand contaminated with infected animal faeces.

Roundworm parasites are most commonly found in cats, dogs and foxes, and usually affect young children under the age of 10 years. This is because children are more likely to come into contact with contaminated soil when they play and put their hands in their mouths. However, cases have been reported in people of all ages.

As reported in the February issue of the Beacon, it has been noticed that dog fouling on the playing fields at Ottringham is still happening. Please be aware of the danger to children who are playing on this area and keep your dogs under close control at all times.

Please use the bags from the doggie bag dispensers in the village and help to keep the pavements in our village clean.
