Thanks again Audrey, Cathryn & Julia.

LES MILES INLAND BOATYARD

Doreen and Les would like to say a big thank you to Simon for the use of his yard making Acorn 2 possible, also to Simon and Steve for their help when required during the building of Acorn 2.

We would like to say thank you to all the other people who gave their support and help in building the poly-tunnel and to John, our son, for helping me take it down in the heavy rain on the Saturday prior to Acorn 2's departure on the Monday.

HALSHAM WATERSIDE CAFE & FARM SHOP

Halsham Waterside has seen a natural progression of growth since its opening 3 years ago. From the humble beginnings of Chris, selling fresh fruit and vegetables from his shed in the garden, to a Farm Shop and Cafe. Last year, Halsham Waterside expanded once more opening up a beautiful Garden Room space, which allowed it to offer more tables in the cafe, and provide a great space for events.

This Spring will see yet another addition to the business, with the opening of a Kitchen Garden and Greenhouse. This space will not only benefit the cafe with some lovely outdoor seating, but in keeping with the ethos of the business provide more home-grown fruit and vegetables for sale, and for use in the cafe.

‘At Halsham Waterside, we are very proud to be able to offer our customers not only great food and produce, but also with the opening of the Kitchen Garden a space that will inspire the community’, says the founder of Halsham Waterside Chris Hague. Watch this space for news of the Kitchen Garden opening this Spring.
